Marketing & Partnerships	15%	750,000,000
Community Rewards	10%	500,000,000
Reserve	5%	250,000,000
Total	100%	5,000,000,000

## Vesting Plan

### 1. Private Sale:

- 20% unlocked at TGE (Token Generation Event).

- Remaining 80% vested linearly over 12 months.
- 2. **Public Sale:**
  - Fully unlocked at TGE.
- 3. **Team & Advisors:**
  - 12-month lockup period.
  - Vested linearly over the next 24 months.
- 4. **Ecosystem Development:**
  - 10% unlocked at TGE.
  - Remaining vested linearly over 36 months.
- 5. **Marketing & Partnerships:**
  - 15% unlocked at TGE.
  - Remaining vested linearly over 18 months.
- 6. **Community Rewards:**
  - Distributed progressively via staking, rewards, and competitions over 36 months.
- 7. **Reserve:**
  - Fully locked for the first 12 months.
  - Released based on strategic requirements after the lockup period.

## **Use of Funds**

- **Private Sale and Public Sale Proceeds:**
  - **Platform Development (40%):** Enhancement of platform features, infrastructure, and AI tools.
  - **Marketing & Partnerships (30%):** Building brand awareness and onboarding strategic partners.
  - **Community Building (20%):** Incentives for early adopters and ongoing engagement programs.
  - **Operational Costs (10%):** Day-to-day expenses and team compensation.
